## **INVITATION TO PARTNER**

On behalf of the Nigerian Association of Pharmacists and Pharmaceutical Scientists in the Americas (NAPPSA), it is my pleasure to invite you to participate in our 2026 Annual Conference taking place at the Hyatt Regency Aurora-Denver Conference Center from September 17-20, 2026.

NAPPSA is an umbrella organization of pharmacists, pharmaceutical scientists, allied scientists and related academia whose capacities extend throughout the Americas. Our member pharmacists are the fastest growing independent pharmacy owners in the United States. NAPPSA promotes healthy living and disease prevention through effective pharmaceutical care while simultaneously operating to improve the quality of healthcare delivery, systems and strategies in Nigeria with extended impact on all of Africa and the rest of the world.

Join the 300 attendees expected to the NAPPSA conference including pharmacy students, independent pharmacists, community pharmacists,

clinical pharmacists, institutional pharmacists, pharmaceutical manufacturers, and allied health professionals.

Thus, the exhibiting opportunities will provide a forum for you to meet these pharmacy professionals and decision-makers who purchase the products and services supplied by your organization.

Moreover, our comprehensive program will provide professional development opportunities through CPE-approved educational sessions, provision of related sources and networking activities. Our assembling of expert speakers will make this a memorable conference, as will the opportunities for valuable networking.

I hope you will take advantage of this opportunity to connect with key health system pharmacy leaders as you showcase your organization to the 2026 NAPPSA Conference attendees. I hope you see you there!
